## Better Parking Space Assured To Car Owners

The Hamlin Chamber of Commerce, as per information from the Secretary, W. E. Benson, has arranged for a quarter of a block adjoining the main business section, for parking cars.

The space is to the rear of the John F. Green Motor Company, north of the Post Office, and across the alley back of the Waggoner Drug, the Rose Shop, Smith Dry Goods, Reynolds Drug, etc., houses. Available from two streets, and will be lighted and improved in a few days.

Mr. Benson informs us that on Saturdays, noon till midnight, the Chamber of Commerce has employed a guard on the parking lot who will assist in the parking and protect property from pilfering. Perhaps 100 cars can be accommodated on this space, and the public can feel that their cars are secure.

Everybody knows that Main Street is crowded on Saturdays and the main street is a National and State Highway, and that double parking is against the highway rules, and dangerous. The Chamber of Commerce urges everyone to co-operate in the parking problem. This calls upon the clerks and store owners, and town folks to park their cars on back or side streets to permit as many visitors as possible to get their cars as close up as space will permit. Let's all do that.

Let every car owner realize that every car can not be parked right in front of where they would prefer. You can't do it in larger cities. What is a block or two to walk? Again the Herald would call attention to the unused spaces on both ends of the street and both sides from the Utilities Company to the

Rotan-Stamford highway. Besides on various side streets there is solid easy space, generally.

## OIL REPORTED IN NEINDA WILDCAT

Keen interest is holding many people in this community because of the oil showing made late Sunday in the wildcat well on the Rogers farm southwest of Neinda.

The depth is around 2650 feet and they are reported as being in the Noodle Creek sand, and that the casing was to be set and acidation made this week. It now looks as if there would be a Neinda Pool.

## BRUNK'S COMEDIANS

HERE FOR REMAINDER  
OF WEEK

Brunk's Comedians, the oldest tent theater company in Texas, are showing here this week, sponsored by the Hamlin Fire Department. In spite of the cold weather a good sized audience has been entertained each night. The big tent is heated by large wood stoves and according to reports the show is very pleasing.

Tonight (Friday) a sure fire comedy, "In the Wrong Bed." Matinee Saturday 2:30 P. M., "The Jail Bird," any seat 5 cents. The closing performance Saturday night will be "Hold Everything," a semi-Western.

## NAZARENE CHURCH

An all day service is announced by the local church for Sunday, Feb. 26. Rev. James B. Chapman, D. D., General Superintendent Church of the Nazarene, will be the principal speaker. Dr. Chapman is a profound scholar and a great preacher. He will preach at both the morning and evening services. In the afternoon at three will be a great missionary service conducted by Rev. Peter Kein, returned missionary from China. At this hour Dr. Chapman will conduct the dedicatory service officially dedicating the local church property to the service and glory of God.

A basket lunch will be served at the noon hour and a cordial invitation is extended to the friends and community to worship with us on this occasion. We also expect Dist. Supt. J. W. Hall to be present. Do not fail to hear Dr. Chapman, whose ministry will not disappoint you. Let us make this a great day in Zion.

W. E. RUTHERFORD,  
Pastor.

## FATHER OF MR. BRUNDAGE DIED IN NEW YORK

Word was received Sunday that B. S. Brundage, father of Mac Brundage of this city, had died at his home in Andover, New York, Sunday morning at eight o'clock. Mr. Brundage had left Hamlin Friday, after receiving a message that his father was dangerously ill, but he did not reach Andover until late Sunday afternoon, several hours after his father's death.

Funeral services were held in Andover Wednesday.

Miss Pauline Harrell and Mrs. Alpha Shands, teachers in the Hamlin schools, spent the week end in Spur visiting Miss Harrell's parents. Miss Harrell's father is pastor of the Spur Methodist Church.

## MR. THOMPSON MADE SPEECH TO EDITORS

BY ERNEST O. THOMPSON  
Before Texas Press Association

"This is an opportunity to which I have long looked forward—the opportunity to express my deep appreciation to a group of men and women who have been exceptionally kind to me. I want each of you to know that I am grateful to you. It is my opinion that the newspapers lean backward in an attempt to be fair, and I have never had the feeling that any newspaper, or any newspaper man, has intentionally been unjust to me.

"I have always felt that the man who belabors the newspapers and their representatives is setting up a straw man to draw attention away from his own shortcomings. The press, as a group, is too conscious of its own power to misuse it. Personally, I have always told interviewers that I asked of them only one thing: That they get my name right. If they get my name right, I have no fear of anything said about me. I have been reliably informed by many of my newspaper friends that editors even have difficulty in getting their own names spelled right in their own papers.

"Please pardon the personal allusions with which I have begun this speech. It was done with malice aforethought as a result of having read recently a piece by one of your contemporaries, a man named Wollcott, who analyzed Lincoln's Gettysburg address. As you know, the papers of Lincoln's day thought his address the most inept, weak and inappropriate ever delivered by a man in high public position. Today, Lincoln's address is regarded almost universally as a masterpiece of the English language and a model of comprehensive brevity. Wollcott had his own theory of why this is so, why a

speech which made no impression when delivered has survived as a great speech when read. He says that it was entirely too short; that nobody ever listens, anyway, to the things a speaker says when he first begins to speak. People are moving around. They are thinking about what they are doing just before the speech started. It takes a little time for them to center their mind upon the speaker's words. And before they had time to concentrate on the speech Lincoln had finished.

"No Lincoln or Jim Hog myself, I must perforce work around gradually to my subject matter if I expect an audience. Moreover, you have set me on a difficult task—the task of telling you men and women something about a theme about which each and every one of you know much more than I could ever hope to know. It is the fundamental principle of journalism. It is the ideal by which every newspaperman worthy of the name must live: The freedom of the press—"The first and most important force working for the liberation of the Human Spirit."

"Fools and guest speakers rush in where angels fear to tread; hence, at the express invitation of your committee on arrangements, I must attempt today to give a layman's viewpoint of the privileges and responsibilities which it seems to me are inherent in that phrase—Freedom of Press.

"Freedom of speech, freedom of worship—they have been themes for some of the finest expressions in the English language. As principles of government, they are the most important links in the keystone which supports the liberty of America. The right of every man to express his views upon all questions affecting the public interest has been defended by every great thinker in public life since the Magna Charter."

The balance of the speech of many more pages is just as good as the above. Mr. Thompson magnified the value of Free Speech and Free Press . . . complimented highly Texas newspapermen.

Rev. and Mrs. J. Henry Littleton, Mr. and Mrs. W. L. Boyd, Mmes. J. E. Harvey, Arthur Burns, M. Y. Wilson, J. D. Farrow, J. L. Keen, Dobbins, M. P. May and Dode Sanford attended the Jones County Baptist Workers Conference in Anson Tuesday.

Miss Eddie Moore, of Odessa, came this week to take a position as operator in the Magee Beauty Shop.

Mrs. John Eakin returned home Sunday after a two week visit in the home of her niece, Mrs. Alexander, near Anson.

John T. Day, Mr. and Mrs. John Ed Day, Mrs. Garland Tumlin and Mrs. Maurice Smith, of Anson, went to Dallas Sunday to attend the funeral of Mr. Gorman, a brother-in-law of John T. Day. Mr. Gorman suffered a stroke about one o'clock Saturday afternoon and died at ten o'clock Saturday night. Mr. and Mrs. Gorman had visited many times here in the Day home.

## HAMLIN HAD BIG DAY

The Hamlin Herald outdid itself a bit last week when it came out in a ten-page edition in connection with a livestock day on Saturday.

One hundred twenty-five dollars in prizes were given to exhibitors, and a special program was rendered by the Woman's Literary Club, the Lions Club and the Hamlin Chamber of Commerce cooperating in the event.

Merchants also carried good-sized ads in the paper announcing special prices and their cooperation.—Anson Western Enterprise.

Miss Elmo Joy Wilson, who is a teacher in the Sweetwater public schools, was in Hamlin visiting with relatives and friends the past week end.

## LIVING ON FIGHT

According to the U. S. News, sales of American goods to foreign nations in 1938 approached in physical volume the boom year of 1929, though due to lower prices, dollar volume was substantially less. The character of what we are selling now, however, is ominously different from what we sold ten years ago.

In '29, the demand was principally for farm products—meat, lard, cotton, etc. That demand has been falling off—and today the countries beyond the seas want more scrap-iron, machinery, airplanes—in brief, the materials necessary to armament and war. And as far as anyone can see, the demand for weapons of death will continue to grow—and the demand for the tools of

peace continue to lessen.

Maybe our foreign friends have learned how to live without meat, lard and cotton—just existing on an expected fight... and it looks as though they may finally scare up a full sized scrap.

## LETTER FROM A SAILOR BOY

M-Division, USS Maryland, Guantanamo, Cuba.

Dear Mr. Pope: I miss the Herald a lot. I have not gotten but two in quite a while. I think the reason is that my address wasn't changed when I was transferred to the "M" Div.

Even though I don't write much, I think of my friends in Hamlin very often. I have been covering quite a bit of water since I last saw you, while on leave and we go from here Monday for the real war game and for at least 21 days, there is no telling what waters we will cover. Have seen quite a few places of interest that I wish my friends could see.

I still like the Navy fine and here is hoping that you are having smooth sailing there at Hamlin.

Your friend, FARROW BURNS,

The Herald appreciates a nice check of one dollar from Ernest Lehman, 1703 Country Road, Cleveland Heights, Ohio. Mr. Lehman regards Hamlin almost like his home... his brother, the late Richard Lehman, lived here several years and also his brother Otto. They naturally feel kindly toward a community their brother loved so much and where he was so much appreciated.

## DO TAXES COME FIRST?

### PITTSBURGH TAKES OVER

The city of Pittsburgh, Pa., is going into the hotel business.

A 22-story hotel there which owed the city \$500,000 in back taxes is to be taken over and managed by the city.

It is only the second time that the city has applied it Sequestration Act, passed in 1935 by which it can take over, manage and operate, delinquent properties, diverting to the city all income above operating expenses until back taxes are paid.

Thus it is that government as the ultimate landlord of all of us shows that his patience may be exhausted just like the patience of any other landlord. The rights of the people of the city in general to receive tax payments have here apparently been

## Bronchial Coughs Need Creomulsion

Just a common cough, a chest cold, or a bronchial irritation of today may lead to serious trouble tomorrow. They may be relieved now with Creomulsion, an emulsified Creosote that is pleasant to take. Creomulsion is a medicinal combination designed to aid nature in soothing and healing infected mucous membranes by allaying irritation and inflammation and by aiding in loosening and expelling germ-laden phlegm. The Medical Profession has for generations recognized the beneficial effect of Beechwood Creosote in the treatment of coughs, chest colds, and bronchial irritations. A special process was worked out by a chemist, for blending Creosote with other ingredients so that

now in Creomulsion you get a good dose of genuine Beechwood Creosote which is palatable and may be taken frequently by both adults and children. Creomulsion is one preparation that goes to the very seat of the trouble to help loosen and expel germ-laden phlegm. When coughs, chest colds and bronchial troubles—due to common colds—hang on, get a bottle of Creomulsion from your druggist, use it as directed and if you are not satisfied with the relief obtained, the druggist is authorized to refund your money. Creomulsion is one word, ask for it plainly, see that the name on the bottle is Creomulsion, and you'll get the genuine product and the relief you want. (Adv.)

placed ahead of even those bondholders and owners. It is an interesting dabble at the socialist conception that ultimate ownership of everything is in the people.

The people's claims are usually not so forcibly asserted, but they are there, underlying all ownership. Pittsburgh, in turning innkeeper, is starting something that will bear watching.—Clipped from Press.

NOTE:—What effect will such a procedure have on investments? This is further proof that too much property tax is bad; what about other claims—the state, the county, a school? Maybe the income from the business could not meet the bills and taxes. Is this a form of confiscation? It is. You bet this will bear watching.

## SENIORS

Some two weeks ago the Senior class began work on a four act play. Student directors were chosen and they in turn selected their cast from the students who desire parts in the annual Senior play which will be given later. To enable the Seniors to select the best characters for the Senior play we are giving each student a chance to show his ability.

The plays are now reaching a state of perfection and we realize that you would enjoy seeing them. So Tuesday night, Feb. 28, beginning at 7:45 o'clock promptly, they will be presented in the High School Auditorium. Admission, 10c for adults and 5c for school children. Be sure and see the Seniors 2 hour "Search for Talent Program."

Not only will there be four one act plays but unusual between act numbers.

Remember—What? The Senior one act play night. When? Tuesday night, Feb. 28. Where? Hamlin High School Auditorium.

We will be seeing you—we hope.

**CHAMPION**

The Only Tire Made with the  
**NEW SAFETY-LOCK CORD BODY**  
and **NEW GEAR-GRIP TREAD.**

NEVER before in our experience has a tire met with such instant and unanimous approval as the new Firestone Champion Tire. It's the Safety Sensation of 1939! Our customers have started a word-of-mouth campaign that is making this the biggest selling tire we've ever had. Motor car manufacturers have been so impressed by its superior performance that they have adopted it for their 1939 models.

Why? Because the Firestone Champion Tire is an entirely new achievement in safety engineering.

**Stronger Cord Body.** This is accomplished first, by the use of a completely new type of tire cord called "Safety-Lock," in which the cotton fibers are more compactly interwoven to assure cooler running and provide greater strength. Then, the fibers in each individual cord, the cords in each ply and the plies themselves, are all securely locked together by a new and advanced Firestone process of Gum-Dipping which provides amazingly greater strength. And greater strength means greater safety.

**More Non-Skid Mileage.** The new Safety-Lock cord construction provides the extra strength needed for the use of the new, thicker, tougher, deeper Firestone Gear-Grip tread which delivers remarkably longer non-skid mileage. This sensational new tread is called "Gear-Grip" because of its unique design — it has more than 3,000 sharp-edged angles which grip the road with a sure-footed hold to protect against skidding and assure a safe stop.

Drive in today and equip your car with a new set of Firestone Champion Tires — the only tires made that are safety-proved on the speedway for your protection on the highway.

Others taking part on the program were Mrs. Helen Miller, Hamlin; Miss Hettie Logan Clay, the local high school quartette, and Mary Ann McCollum. Out of town guests were Mr. and Mrs. Bennett, Mr. and Mrs. Miller and Mr. and Mrs. Clyde Huff, all of Hamlin.

R. L. Miers has returned from Austin where he, in company with other members of the commissioners court, went last Thursday in the interest of road matters.

Our community was greatly shocked last Thursday evening on account of the sudden death of Mrs. W. H. Elliott, who passed away in her sleep at her home about one and a half miles east of McCaulley. Mrs. Elliott would have been 68 years old on her next birthday. Funeral services were conducted from the Methodist Church Saturday afternoon by her pastor, Rev. J. Lloyd Mayhew.

assisted by a former pastor here, Rev. J. W. Price, and the local Baptist pastor. Interment was made in the local cemetery under direction of Barrow Funeral Home, Hamlin. The following children of Mr. and Mrs. Elliott were here for the funeral: Mrs. T. C. Robinson and family, Hamlin; Mrs. Jewell Huey, Abilene; Mrs. O. T. Hennington and family, McCaulley, and Mrs. Dunnagin and family, of Arkansas.

Mrs. E. L. Rector spent the past week at Stith in the home of her daughter, Mrs. Leldon Clifton, where Mr. Clifton has been quite ill. Report is that she is convalescing. Mr. and Mrs. Clifton are teaching in the Stith school.

### "IN MEMORY OF FATHER"

(J. O. Faulkenberry)

One more soul has gone to heaven,  
One more dear voice is stilled,  
One more home has been left vacant

In accordance with His will.

A last look has been taken  
Of his dear loving face,  
And good-byes have been spoken  
As we laid him in his resting place.

A place has been made vacant,  
In our home as well as in our heart,  
But I know we'll meet in heaven,  
Never more again to part.

We have laid him away  
To rest in the city of the dead,  
To be seen no more on earth  
Where once his feet have tread.

He has gone to sleep in Jesus,  
Until the resurrection morn  
And be given a crown in glory  
Which in triumph shall be worn.

So wait for us dear Dad  
Over in Canaan's land,  
For soon we will be coming,  
Then we'll form a happy band.

God is gathering his jewels together;

He is calling them one by one,  
So sleep on dear Daddy,  
In the glory of God's Son.

Soon the day will be coming,  
When from death we shall rise,  
And we shall all meet our loved ones

In that home beyond the skies.
